

ECT-DIN 15mm-wide Signal Isolator and Converter

Model: **ECT/4-20mA/4-20mA/12-42DC [DIN]**

ECT DIN-style signal isolators and converters in narrow 15mm rugged aluminum housing with -40C to 85C operating range, UL approved for General and Hazardous locations

Product Details

Input	4-20mA
Output	4-20mA
Power	12-42DC
Input Description	4-20mA
Output Description	4-20mA
Power Description	12-42DC, Output Loop Powered
Housing Description	Universal DIN-style housing, 32mm G-type and 35mm Top Hat
HART Signal Pass-through Capability	No
For use in Safety Instrumented Systems (SIS)	No
Number of Inputs	1
Input Type	4-20mA
Number of Outputs	1
Device Power	2-Wire, Loop Powered
Integral Display	No
Alarm/Relay Output	No
Configuration/Setup	Fixed Input/Output
Enhanced RFI/EMI Immunity	No
Housing/Enclosure	DIN Rail Enclosure
2" Pipe Mount Bracket	No
Hazardous Area Certifications	UL Approved, Non-Incendive/Div. 2, Zone 2
RoHS Compliant	Yes
