

HCS HART Concentrator System HART-to-MODBUS RTU Converter

Model: **HCS/HART/MB485/9-30DC/-RF [DIN]**

The HCS HART Concentrator System converts a HART digital signal to a serial (RS-485 or RS-232) MODBUS RTU communication protocol.

Product Details

Input	HART
Output	MB485
Power	9-30DC
Options	-RF
Input Description	HART
Output Description	MODBUS RTU, RS485
Power Description	4-Wire, 9-30DC
Options Description	Enhanced RFI/EMI protection
Housing Description	Universal DIN-style housing mounts on G-type and Top Hat DIN-rails
Number of HART Devices Communicating With	Multidrop, Multiple HART Devices, Single, One Specific HART Device
Output(s)	MODBUS RTU
Integral Display	No
Enhanced RFI/EMI Immunity	Yes
Housing/Enclosure	DIN Rail Enclosure
Hazardous Area Certifications	Non-Incendive/Div. 2, Zone 2
Availability	Yes
RoHS Compliant	Yes
