

## HIM Smart HART Loop Interface and Monitor

Model: **HIM/HART/2AO/24DC/-2PRG [DIN]**

The HIM HART Loop Interface and Monitor unlocks the full potential of new and in-place smart HART multivariable transmitters and valves.

### Product Details

Input	HART
Output	2AO
Power	24DC
Options	-2PRG
Input Description	HART
Output Description	Two analog outputs
Power Description	4-Wire, 24DC
Options Description	Two user-programmable alarm outputs, SPDT relay, 1 form C, rated 5A@250Vac
Housing Description	Universal DIN-style housing mounts on G-type and Top Hat DIN-rails
Number of HART Devices Communicating With	Single, One Specific HART Device
Output(s)	Two Analog Outputs, Two Alarm/Relay Outputs
Integral Display	Yes
Enhanced RFI/EMI Immunity	No
Housing/Enclosure	DIN Rail Enclosure
Hazardous Area Certifications	Non-Incendive/Div. 2, Zone 2
Availability	Yes
RoHS Compliant	Yes
