

PIH Pressure-to-Current Transmitter

Model: **PIH/3-15PSIG/4-20mA/12-42DC [WDNS]**

The rugged PIH Field-Mounted Pressure-to-Current is designed specifically for installation in harsh environments.

Product Details

Input	3-15PSIG
Output	4-20mA
Power	12-42DC
Input Description	3-15PSIG
Output Description	4-20mA
Supply Pressure/Loop Power	12-42DC
Housing Description	Aluminum body with black PBT polyester, Valox 357U cover, NPT pneumatic ports and ½-inch NPT female electrical entry port
Installation Type	Field Mount
Supply and Output Medium	Air
Input	3-15PSIG
Output	4-20mA
Housing/Enclosure	Nema 4X/IP64 Field Mount Enclosure
Supply Filter/Regulator (I/P)	No
Output Gauge (I/P)	No
Field Enclosure Conduit Connection	Standard (NPT)
2" Pipe Mount Bracket	No
RoHS Compliant	No
